

Universidad Autónoma de Madrid

Ciudad Universitaria de Cantoblanco · 28049 Madrid

e-mail: informacion.general@uam.es

Public (state-funded) institution created in 1968

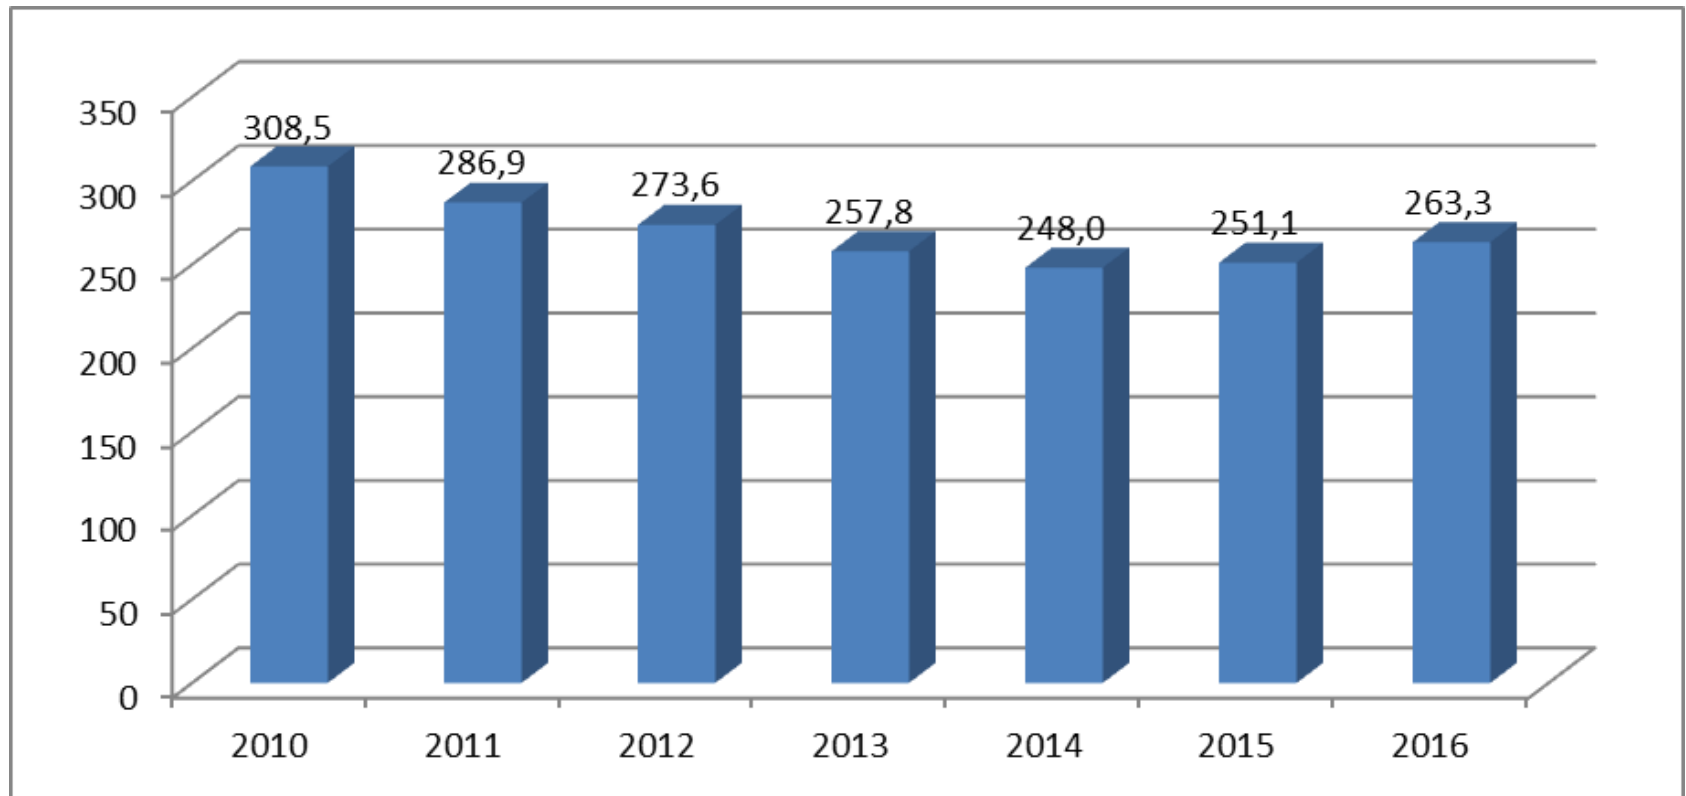

69 Departments • 8 Faculties/Schools

- Science
- Arts and Humanities
- Teacher Training and Education
- Economics and Business Studies
- Law
- Psychology
- Medical School
- School of Engineering

Money matters

Budget for 2016:	263,3M€	Salary costs: 57,2%
State grant + Tuition fees :	+180 M €	Tuition fees participation in budget: Less than 20%

LEARNING AT UAM

UA
UNIVERSIDAD AUTÓNOMA
DE MADRID

UAM Community

- **Students: 33.622**

23.249 Undergraduate students

10.373 Postgraduate Students

- **Academic staff: 3.043**
- **Administrative staff: 1.036**

What to study

- **53 Undergraduate Programs**
- **114 Masters and PhD programs**
- **11 International Double Programs**
- **57 Diplomas**
- **3 Erasmus Mundus Joint Master degrees**

Engineering and Technological Sciences

Sciences

Law and Political Sciences

Teacher Training and Education

Business and Economics

Humanities and Arts

Medicine

Psychology

550 Theses defended in 2016

(2.500 in the last 5 years)

CANTOBLANCO CAMPUS

15 Km to the north of Madrid,

An area which hosts hi-tech firms and research centres, offering excellent opportunities for cooperation between the university and the business world

Campus easily reached by train, bus, car and bicycle

Privileged environment:

24th on the 2013 **UI GreenMetric World University Ranking.**

Facilities

for teaching, sports, libraries, museums, halls of residence, canteens, medical service

Cultural activities

courses, seminars, concerts, exhibitions, contests, workshops

Educational Technologies at UAM

<https://www.edx.org/school/uamx>

- ❑ Several approaches to technology-enhanced learning
 - ❑ Training courses on tools for Instructors.
 - ❑ Supporting teams on platforms.

Alumni

- **H.R.M. Felipe VI, King of Spain,**
Bachelor in Law+ courses in
Economics (1988-1993)

- Relevant politicians, writers, artists, CEOs
diplomats, judges, etc.

RESEARCH AND INNOVATION

Research and Innovation

5 UAM-CSIC Institutes

- Biomedical Research Institute «Alberto Sols» (IIBAS)
- Molecular Biology Centre Severo Ochoa (CBMSO)
- Theoretical Physics Institute (IFT)
- Mathematical Science Institute (ICMAT)
- Food Science Research Centre (CIAL)

5 CSIC-owned Institutes

- National Biotechnology Centre
- Catalysis and Petrochemistry Centre
- Madrid Material Sciences Centre
- Glass and Ceramics Institute
- Madrid Institute of Microelectronics

2 Madrid Institutes for Advanced Studies (IMDEAs)

- Madrid Institute for Advanced Studies in Food Science
- Madrid Institute for Advanced Studies in Nanoscience

2 UAM Research Centres:

- Centre for Microanalysis of Materials
- Centre for Condensed Matter' Physics

Madrid Science Park - PCM

15 UAM-Research Institutes

- Molecular Biology
- Nicolás Cabrera Material Sciences
- Teófilo Hernando Institute of Pharmacology
- Forensic Sciences
- Educational Sciences
- Children and Adolescents' Needs and Rights
- LR Klein Economic Prediction
- Centre for East Asian Studies
- European Monarchies (Court in Europe)
- Local Law
- Centre for East Asian Studies
- Women Studies
- IMEDES-Migration, Ethnicity and Social Development
- UAM-FCD DEMOS-PAZ (Human Rights, Democracy, Peace Culture and Non-Violence)
- Institute of Studies of the Ancient World

5 Associated Health Research Institutes

- Jimenez Díaz Foundation
- University Hospital 12^{de} Octubre
- University Hospital La Paz
- University Hospital La Princesa
- University Hospital Ramón y Cajal

Leading Spanish Universities

INTERNATIONAL EXCELLENCE CAMPUS

CEI UAM+CSIC (from 2009)

**Nominated among
50 Spanish Universities**

UAM and CSIC (Spanish Research Council)

30 years carrying out together an
innovating research policy

Excellent opportunities for **quality**
research, teaching, learning
and management

Social, economic and cultural **impact**

A quality framework for students,
academic and administrative staff

Main research areas

1 Nanoscience and material sciences

2 Life Sciences: Biotechnology, Biomedicine and Food Sciences

3 Theoretical Physics and Mathematics

4 Law, Humanities and Social Sciences

Ranking by subjects 2016

ARTS & HUMANITIES	
Archaeology	51-100
History	101-150
Modern Languages	101-150
Linguistics	151-200
Philosophy	151-200

Ranking by subjects 2016

GLOBAL UAM

Areas covered:

- **Erasmus+ mobility** in and out of the EU (for students, academic and non-academic staff and internships)
- **Erasmus+ KA2 and KA3** projects (strategic partnerships, capacity building, Jean Monnet...)
- **International (non-Erasmus) mobility** for students and staff, through bilateral agreements or inter-government programmes.
- **International collaboration projects**
- **Double/multiple and joint degrees** (e.g. Erasmus Mundus Joint Master Degrees)
- **Language policies** (English as a Medium of Instruction; Spanish for foreigners)
- **International associations/networks/conferences**
- International promotion, recruiting and admission
- International student services
- **Study Abroad Program**

Partnerships

- Alliance 4U (UCM3; UAB, UAB)
- YERUN network
- 11 International Double Programs
- 2 Erasmus Mundus Masters
- UAM-Boston University Science Program
- China EU School of Law

Student Exchange programs with more than 500 universities in the world (**ERASMUS+ & international agreements**)

Asia & Latin America priority strategic areas for UAM.

- Centre for Latin American Studies (CEAL)
- Centre for East Asian Studies (CEAO)-Madrid
- Confucius Institute

Red Talloires

SAM **Study Abroad at UAM**

DiLe: Diploma in Spanish Language and Culture

Intensive **Language** Courses (short term or semester long)

Tailor-made courses

Summer courses
