

SECOND INFORMATION LETTER
3rd International Scientific Symposium
“Sense. Enable. SPITSE.” 2016
National Research University “MPEI”,
Moscow – Smolensk, Russia
June 20 – July 01, 2016

Dear colleagues!

For full-time participation in the conference SPITSE Symposium 2016 and early booking of hotels in Moscow and Smolensk required before **April 30, 2016** to register on the web-page SPITSE Symposium 2016.

MAIN CONFERENCE TOPICS

1. Novel technologies for RF, microwave, and optical sensors and devices
2. Antennas for RF and microwave sensing
3. Energy efficient frontends, wireless power transfer
4. Smart sensors, sensor signal acquisition, HW/SW co-design
5. Biomedical diagnostics
6. Wireless devices and strategies for intelligent traffic systems (ITS)
7. Nonlinear dynamic system modeling, analog and digital signal processing, dirty RF
8. Wireless sensor networks, network security
9. Data fusion and data mining
10. Embedded software engineering

IMPORTANT DATES

- | | | |
|---|---|-----------------------|
| ✓ Deadline for Conference registration | – | April 30, 2016 |
| ✓ Deadline for paper submission | – | May 15, 2016 |
| ✓ Paper acceptance notification | – | May 30, 2016 |
| ✓ Deadline for Summer School registration | – | May 15, 2016 |

PAPER SUBMISSION

Please, submit your **1 or 2 full pages** paper (A4, 21×29.7 cm) in PDF and DOC/DOCX format (use the IEEE Template for your paper) by email to spitse2016@gmail.com and assign it to one of the topics listed above.

SUMMER SCHOOL

The Summer School offers excellent opportunities for gaining experience, establishing networks, and making friends among young engineering researchers.

This year Summer School is devoted to process control in technical systems:

main topics:

- ✓ mathematical and computer models for process control and decision making support;
- ✓ intellectual sensors;
- ✓ smart grids;
- ✓ design and research of the informational model for power station.

ACCOMMODATION

Detailed information about accommodation in Moscow and Smolensk will be published in the next informational letter.

INVITATION LETTERS

We encourage and welcome participants from around the globe to take part in SPITSE Symposium 2016. Please note that foreign citizens must apply for a visa before travelling. Be aware that obtaining a visa takes time.

The organizing committee is able to supply an invitation letter for your application. In order to get an invitation letter please send the following information (spitse2016@gmail.com):

- 1. A scanned copy of your passport.**
- 2. The period of your stay in Russia.**
- 3. Your position and the name of the organization you are representing.**

Invitation letters will be mailed by the Organizing committee upon request.

Sincerely yours, Organizing Committee of SPITSE Symposium 2016
